Fourth of July Firecrackers

Firecrackers are allowed, with a County permit (\$25.00) allowing the purchase of 5000 firecrackers, on the **FOURTH OF JULY** from 1:00 P.M to 9:00 P.M.

The Association does not encourage the use of firecrackers on Association common areas and strongly urges owners to use their own property and have water readily available if you are going to set off firecrackers, but do clean up after wards. Mahalo..

Check this Maui County website for information - <http://co.maui.hi.us/index.aspx?NID=1217>

Summertime – School is out

Be careful in your driving. Children on bikes do not always respect traffic vehicles. Children do not always play on their own property and may even ride out onto the street from a vacant lot.

Strolling With Your Pet Dog

Please bring you doggy bag with you when walking your very lovable pet. Some property owners are not very understanding about finding dog excreta in their parkway. They are even less understanding about it when they step in it. Pick it up!

Subdivision Parking – General Information

Overnight street parking is not allowed. This is called “The Wahikuli Prevention Program.” It was put in place by the developer to keep Kahana Ridge from becoming another Wahikuli. You may notice that it also prevents front yards from having “floor rug” parking lots. Be reminded that front lawns are not to be used for parking lots with or without a rug.

Special Parking

Street overnight parking for special visiting guests is allowed on a temporary basis if the Site Manager is notified in advance.

Trash Day – Every Tuesday Morning

Please put out your trash on Monday, the day before. Not a week ahead of time. Most neighbors are annoyed by the smell of rotting garbage adjacent to their driveway, or in front of their mail box.
